SLSNZ will subsidise the First Aid courses by 50% invoiced to the club upon the booking being accepted. The club will be charged the full course fee if the member fails to attend the course.

Members must book through their club. Bookings will be taken from the club on the form provided. There are a limited number of spaces available on each course so we will spread these across clubs on an equal basis. This will be opened further if the spaces are not filled.

These courses will be run through the season and be spread around the area. If your club would like to book and fund your own course please talk to me.

Regards,

Mike Lord
